

CREATIVE SPACE QUICK START GUIDE

HANDMADE
KIDSART

Step 1: Plan the Space

What are your child's interests? What is your child's favorite toy? What activities does your child enjoy?

Step 2: Find an a dedicated space.

Brainstorm where you can find a dedicate space for your child's creativity.

Step 3: Make the space connect with your child.

What can you add to the space to help personalize it for your child?

Step 4: Fill with supplies.

Make note of what supplies you already have and what you need to purchase.

Step 5: Display

Where can you create a gallery for your child to hang their artwork or display their creations?
